ERWO Holding AG

About us

ERWO Holding, a German family-owned company, oversees Südvolle Group, Hoftex Group, and other leading entities in various industries. With a profound legacy in worsted yarn spinning and non-wovens, our decades-long expertise defines us.

We are operating within a worldwide network, committed to sustainability, and integrating the latest technologies as well as ethical working conditions to minimize our environmental impact. Our transparent and reliable practices make us the trusted partner in creating a sustainable business landscape.

The ERWO Holding AG acts as holding company of Südvolle Group GmbH (worsted yarn spinning and dyeing), Hoftex Group AG (nonwovens, home decoration, dyeing, real estate), ERWO Immobilien und Beteiligungen GmbH & Co. KG (real estate) and Südsonne GmbH & Co. KG (photovoltaics). Shares of Hoftex Group AG are listed in the m:access segment of the Munich stock exchange, with ERWO Holding AG as majority shareholder. ERWO Holding AG is not listed at the stock exchange. The supervisory board consisting of 6 persons with different expertise assumes the control function.
